Dear [Redacted]

I am writing to inform you of our 1986-87 schedule of conferences on Understanding Federal Government Operations. Please note that our conference year now runs from September 1986 through December 1987. As you know, this is our six-day conference for approximately 40 senior-level corporate executives, designed to provide an intensive overview of Washington policymaking. Enclosed is the schedule of dates, as well as the name of the Conference Chairperson and the Conference Coordinator.

As we have done in the past, the conference group will visit with a number of officials of the CIA at a luncheon and meeting on the Friday of the conference week from approximately 12:00 noon to 2:00 p.m.

The Conference Coordinator will be in touch with you to provide specific information about the particular meeting. In the meantime, please call me (797-6284) if you have any questions.

Thank you for your assistance.

Sincerely,

Julia Sternberg
Conference Associate
